

SKYHIGH PEO
FULL-SERVICE EMPLOYMENT ORGANIZATION

CAN SAVE YOU MONEY

Turn your business challenges into a competitive advantage with our all-inclusive SKYHIGH PEO solutions

Regulatory Compliance & Risk Management

Leverage our expertise to reduce the risks of lawsuits, fines and audits associated with healthcare reform, wage and hour laws, HIPAA, and other federal, state and local regulations.

Payroll and Payroll Taxes

Our certified specialists and robust HR technology simplify the complex task of running payroll, including paying taxes, calculating deductions, generating reports and more.

HR Administration

Free up your time and enhance your focus while we help develop new HR policies, optimize your onboarding, improve your issue resolution approach and more.

Employee Benefits Program

Gain access to comprehensive employee benefits at competitive rates to level the playing field with big businesses and improve employee recruitment, retention and morale.

Training and Development

Make your employees more productive, knowledgeable and loyal with free professional development opportunities tailored to their career goals and your business needs.

HR Technology

Utilize the power of the latest and greatest HR technology without utilizing more of your budget – we manage and maintain our own systems so you don't have to.
